

# PROF. MOHAMMAD HASSANZAEH

Tarbiat Modares University

## SHORT BIO

Dr Mohammad Hassanzadeh is a Professor of knowledge and Information Sciences at Tarbiat Modares University, Iran. He was appointed to the Department of Management and Economics at Tarbiat Modares University in 2001 as an Assistant Professor. He was promoted to Full Professor in 2019. Dr Hassanzadeh has made over 300 scholarly contributions, including more than 200 peer-reviewed research papers and over 45 books (March, 2021) in addition to being co-investigator on numerous major research initiatives. Being visiting professor at various universities, he has been appointed to varied managerial and administrative positions in Higher Education including Director of the Center for the Development of Humanities Technologies, Consultant to Business Intelligence (BI) Initiative, Head of the center for Technologies Incubator and Director of Technology Development and Transfer Office, Modares S&T Park through the years and was awarded for his research initiatives several times. Dr. Hassanzadeh co-developed, and is the managing editor of The International Journal of Learning Spaces Studies and The International Journal of Knowledge Processing Studies. He also serves as an editor-in- chief for The International Journal of Digital Content Management and The Journal of Information Science and Technique.

## RESEARCH INTERESTS

- Knowledge Management & Knowledge-based Systems
- Science and Technology Assessment
- Human – Information Interaction
- Information Retrieval

## EDUCATION

### PHD from **Ferdowsi University**, Mashhad, Iran

September 2002 - 2006

[Entered by passing entrance exam and interview, and graduated after presenting a thesis on knowledge management]

### MA from **Tarbiat Modares University**, Tehran, Iran

September 2000 - 2002

[Entered by passing entrance exam and graduated after presenting a dissertation on online education through Internet]

### BA from **Tabriz University**, Tabriz, Iran

August 2000

## SOME WORK EXPERIENCE

### **Tarbiat Modares University [Faculty Member, Head of Dept., and Vice-dean for Research and technology]**

2006 – Ongoing

Being the head of department and vice-dean for research and technology, engaged with intense research and training affairs, published more than 300 papers and 45 books and carried out many research projects.

### **Modares Science and Technology Park [Technology Transfer Officer]**

2017–2019

[Established the technology incubator for humanities science and technologies and conducted mentorship of various newcomers to the innovative environment.

### **National Research Institute for Science Policy [Head of department]**

September 2007–2009

[Head of department, "Science Popularization" and "International conference on S&T and sustainable development"]

### **Consultancy and Mentorship**

2006 – Ongoing

[Helping organizations from public and private sectors to establish their knowledge management system and enhance value creation capacity]

## PROMOTION PATHWAY

Position	University	Starting	Ending
Full Professor	TMU	2019	Ongoing
Assoc. Professor	TMU	2012	2019
Assist. Professor	TMU	2006	2012

## Working experience and professional background

1. Faculty member of Tarbiat Modares University
2. Vice-Dean for Research and Technology, Faculty of Management and Economics, TMU.
3. Member and Secretary of the Committee for the Development and Planning of Knowledge and Information Science, Higher Education Development Council, Ministry of Science, Research and Technology, Iran.
4. Head of Library and Information Technology Department, and Member of reviewing committee, Farabi International Festival (Several years).
5. Head of Scientific Committee, the International Conference on Digital Content Management. 2021.
6. Member of the e-learning steering committee, Tarbiat Modares University. Since 2020.
7. Member of Tarbiat Modares University Foresight Working Group, 2020.
8. Secretary of the Evaluation and Monitoring Council of the Faculty of Management and Economics, TMU.
9. Advisor to the President of Tarbiat Modares University on University Ranking, 2017.
10. Consultant of Tarbiat Modares University Monitoring, Evaluation and Optimization Office, 2017-2018.
11. Member of the Committee for Sustainable Financial Resources, Tarbiat Modares University, 2011-2014.
12. Head of Knowledge and Information Science Department, Tarbiat Modares University, Since 2011.
13. Member of the special ranking workgroup, Tarbiat Modares University
14. Member of the Research Council, Faculty of Management and Economics, Tarbiat Modares University.
15. Member of the Humanities Committee, National Research Institute for Science Policy, Iran.
16. Editor of Daneshgar Magazine - National Research Institute for Science Policy, Iran.
17. Head, the National Conference on Public Libraries and Lifelong Learning from the Perspective of Science Promotion
18. Head, the International Conference on Science Policy and Sustainable Development.
19. Advisor to the Dean of the Faculty of Management and Economics, Tarbiat Modares University
20. Member of the Educational and Research Council of the Faculty of Management and Economics, Tarbiat Modares University
21. Head, Research Department of Information Studies, Management Studies Center, TMU, Iran.
22. Member of the Research Council, National Research Institute for Science Policy, Iran.
23. Head, Science Popularization Department, National Research Institute for Science Policy, Iran.
24. Researcher, Scientometrics Department, National Research Institute for Science Policy, Iran.
25. Member of the Scientific Committee, the Conference on Knowledge Management and Organizational Excellence
26. Scientific Secretary of Knowledge Management and Information Science Conference
27. Member of the Scientific Committee of the National Conference on Knowledge Management (First, Second, Third and Fourth)

28. Member of the Research and Development Committee, the Management and Planning Organization, Iran.

29. Consultant of the Center for Scientific Documents and Information - Management and Planning Organization.

### Membership in scientific societies

1 President, [the Iranian Public Libraries Advancement Association](#) (IPLA), 2018-2021.

2 Advisor, Scientific-Student Association of Information Science, Tarbiat Modares University, Since 2016.

3 Member, [Iranian Library and Information Association](#), Since 2001.

4 Member, Association of Ethics in Science and Technology, Since 2014.

5 Member, Iranian Information Management Association, Since 2015.

6 Member, [International library and Information Science Society](#), Since 2017.

### Leading scientific journals

1. Managing Director, the International Journal of Learning Spaces Studies

2. Managing Director, the International Journal of Knowledge Processing Studies

3. Editor-in-chief, [the International Journal of Digital Content Management](#)

4. Editor-in-chief, [the Information Management Science and Techniques](#), Qom University

5. Member of the Editorial Board, [the International Journal of Information Science and Management](#)

6. Member of the Editorial Board, [Information Management Science and Techniques](#), Qom University

7. Member of the Editorial Board, [the Scientometrics Research Journal](#).

8. Member of the editorial board, the Library and Information Research Journal, Ferdowsi University of Mashhad

9. Member of the Editorial Board, Journal of Human-Information Interaction, Kharazmi University

10. Member of the Editorial Board, the Journal of Library and Information Science Studies, Chamran University of Ahvaz

11. Member of the editorial board, the Specialized quarterly of Research Index, Research Institute of Culture, Art and Communication

12. Member of the editorial board, the book monthly, Iran Book House.

### Reviewer, scientific journals

1 Journal of planning and Budget, the Management and Planning Organization

2 Journal of Library and Information Science

3 Quarterly Journal of National Library and Information Studies

4 Reviewer, the Organization for the Study and Compilation of Humanities Books

5 Journal of Information Science and Techniques

6 Quarterly Journal of Information Studies and Public Libraries

7 Quarterly Journal of Information Studies and Academic Libraries

8 Quarterly Journal of Human-Information Interaction

9 Reviewer, Farabi International Festival

10 Reviewer, the journals Commission of the Ministry of Science, Research and Technology

11 Quarterly Journal of Science and Technology Policy

12 Quarterly Journal of Ethics in Science and Technology

13 Rahyaf Quarterly

14 Journal of Information and Communication Technology Association

15 Journal of Information Services and Systems

16 Journal of Educational Technologies

- 17 Journal of Library and Information Science
- 18 Quarterly Journal of Science
- 19 International Journal of Information Science and Management (IJISM)
- 20 The Electronic Library

### Honors and awards

- 1- Excellent researcher, Tarbiat Modares University, 2020
- 2- Receiving a motivation grade, 2019
- 3- Receiving a motivation grade, 2012
- 4- Receiving the LISASPAC best article award, 2017
- 5- Receiving the Emerald Highly Commended Article Award, 2018
- 6- The winner of the Tabriz Book Festival, 2012
- 7- Selected Farabi International Festival, 2012
- 8- Excellent researcher, the Faculty of Management and Economics, Tarbiat Modares University - Winter 2009
- 9- The selected student book of the year, 2006
- 11- Excellent thesis, Tarbiat Modares University, 2001

### Courses Taught

1. Fundamentals of Information Science and Knowledge, Tarbiat Modares University
2. Data processing, Tarbiat Modares University
3. Information storage and retrieval, Tarbiat Modares University
4. Information technology and information systems, Tarbiat Modares University
5. Indexing and abstract, Tarbiat Modares University
6. Statistics, Tarbiat Modares University
7. Specialized Reference Services, Tarbiat Modares University
8. Research Seminar, Tarbiat Modares University
9. Research method, Tarbiat Modares University
10. Data processing, Qom University
11. Information Technology and Information Systems, Qom University
12. Medical information systems, Tarbiat Modares University, Faculty of Medical Sciences
13. Knowledge Management Strategies, University of Tehran, Department of Information Technology Management
